

**SPICER**<sup>®</sup>  
ELECTRIFIED

*e-Drive Systems*

# Spicer<sup>®</sup> Electrified<sup>™</sup> **e-Axle**

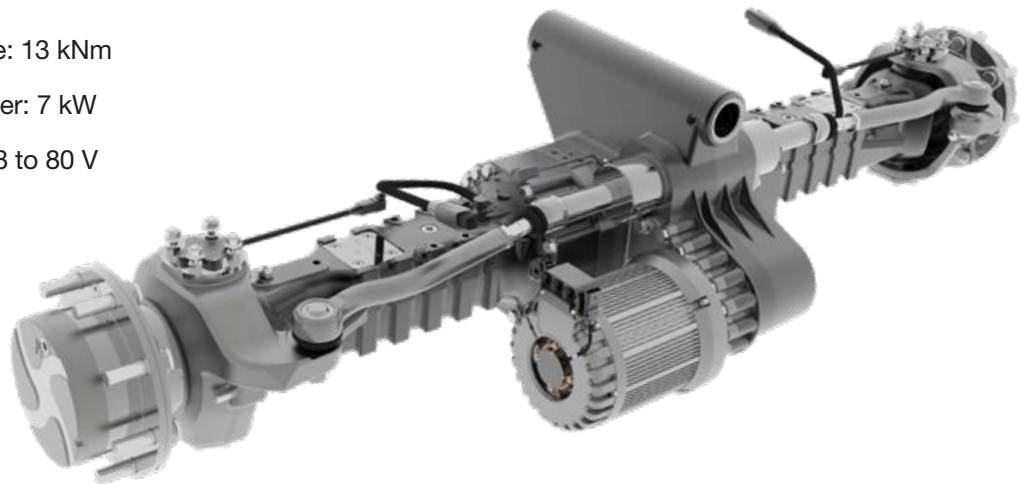

eSA201

## Product Benefits

- New axle design dedicated to electric traction
- Based on Spicer<sup>®</sup> modular axle concept
- Modular motor interface compatible with all motor technologies
- Compact solution

## Product Features

- Peak power: 20 kW
- Maximum output torque: 13 kNm
- Continuous output power: 7 kW
- DC voltage range (V): 48 to 80 V

## Ideal for Aerial Work Platforms
